TRAFFIC & BARRICADE

About 4-Horn Traffic & Barricade

Always Lead, Never Follow

We specialize in keeping companies, workers, drivers and pedestrians safe with comprehensive traffic and barricade solutions.

Here For Your Company 24/7/365

Traffic hazards can occur on a jobsite at any time of day, and it's critical to guide and divert traffic when it happens. Count on us to be that resource for you.

Turnkey Service Offerings

Whether you need immediate service with our wide range of in-stock products or need a custom solution created with our design team, we're here to help.
